**A-WL56M2C Wireless CabCAM™
Camera Observation System**

A&I Products **NEW** A-WL56M2C Wireless CabCAM™ Camera Observation System

The A-WL56M2C Wireless CabCAM™ Camera Observation System can give you the edge you need. With its four-camera capability, the A-WL56M2C system has unlimited application possibilities. It can eliminate blind spots and improve day and night visibility for freight trucks, agricultural, industrial or construction equipment, and on pickup trucks pulling trailers, boats, or campers. The A-WL56M2C can be used to keep an eye on your home, business, or equipment.

The Wireless feature of the A-WL56M2C adds flexibility in mounting locations and eliminates the need for lengthy video cable. The Wireless CabCAM™ has a 200 yard barrier-free transmission range. Application possibilities are truly unlimited with the A-WL56M2C Wireless CabCAM™.

A-WL56M2C Wireless CabCAM™ Camera Observation System includes:

(2) 1/3" CCD Weatherproof Wireless Color Cameras

One Channel 3 and One Channel 4 camera. Infrared illuminators allow up to 32 feet of night visibility, made to withstand off-road conditions, audio capabilities. Each camera has an antenna and a power supply jack.

5.6" TFT LCD Wide-Angle Color Monitor

High resolution monitor with antenna. Four camera capability 2.4GHz wireless receiver with four channels. Supports 12V or 24V automotive battery. The monitor includes: power indicator, remote receiving window, POWER button, MENU button, SEL button, channel selection, loudspeaker, support attaching slot, and power supply terminal.

Accessories

Base-Mounted Remote Antenna with 9.75' cord, Ball Swivel Mounting Bracket with Mounting Pad, U-Support Mounting Bracket with Thumb Screws, 6 Pin Power Wire Harness with Jack for AC/Cigarette Lighter/DC Adapter, AC Power Adapter, Cigarette-Lighter Power Adapter, Full-Featured Remote Control, (3) 3.25' DC Adapters, Sunshield, RCA Cable

NOTE: A-WL56M2C system can be expanded to support up to four cameras.
